“Best Bawl” competition is based on the “best ball” golf team concept. Each team can have up to 3 riders. Unlike the traditional VRH competition rules where one rider must compete with one horse and the rider must own the horse... this modified competition uses a team approach. Each team can use a different rider for each class. Choose your best rider for ranch trail, ranch cutting, and working ranch horse. The rider does not need to own the horse.

**Fun, Friendship, and Fundraising to benefit
